

# *A Father's Day Message*

*from the Director General, BuCOR*

June 19, 2017

Fatherhood is a gift from God - while a mother nurtures, a Father instills discipline in the family.

As Fathers, may we continue to be a constant source of inspiration and of Christian virtues, a good provider, a pillar of strength, a protector of family and a role model to our children.

Like a father extending a loving hand to a wayward child, may we treat our inmates - The Persons Deprived of Liberty (PDL) with more compassion, understanding with a discipline tempered with mercy as we lovingly guide them to be useful, responsible and reformed citizens back to the folds of the free society!

To all fathers:

## Happy Father's Day
