Upon motion of CCSUPT PASCUA duly seconded by CTCSUPT SANTOS, the pre-bid conference for acquisition of prison buses, security vehicles and low bed truck was formally adopted.

With the permission of CCSUPT PASCUA, CTO2 Catindig proceeded to the detailed explanation of the necessary documents (Legal, Technical and Financial documents) needed for the project to be bid. List of eligibilities were those agreed by the BAC members last pre-procurement conference.

CTO2 Catindig reminded the bidders that the bidding was one - lot procurement and to purchase bidding documents as early as possible to avoid the without prior notice closing of concerned offices due to existing pandemic.

CTO2 Catindig then discussed the technical specifications. Bidders from Autokid asked the possibility of adjusted delivery date. CTO2 Catindig said it's not possible since the vehicles were immediately needed by BuCor. Also, overall dimension of patrol vehicle preferred GPS System and transmission speed were clarified.

CTO2 Catindig said a supplemental bulletin bid was to be issued if changes were to be made.

No questions followed.
