RECEIVED

APR 15 1964

TO: DR. ROBERT M. WAYmouth, Director, Department of Chemistry, University of Chicago, 5708 South Campus Drive, Chicago, Illinois 60637

FROM: DR. JAMES H. HARRIS, Director, Department of Chemistry, University of Chicago, 5708 South Campus Drive, Chicago, Illinois 60637

SUBJECT: REPLY TO LETTER OF APRIL 10, 1964

Dear Dr. Harris:

I have received your letter of April 10, 1964, regarding the proposed collaboration between your department and the Department of Chemistry at the University of Chicago.

The Department of Chemistry at the University of Chicago is pleased to consider the possibility of a collaborative arrangement with your department.

The Department of Chemistry at the University of Chicago is currently engaged in a number of projects which are closely related to the work being carried out in your department.

It is hoped that a collaborative arrangement between your department and the Department of Chemistry at the University of Chicago will be mutually beneficial to both departments.

I am sure that you will find the Department of Chemistry at the University of Chicago to be a most interesting and productive environment in which to carry out your research.

I am sure that you will find the Department of Chemistry at the University of Chicago to be a most interesting and productive environment in which to carry out your research.
