## Technical Specifications (AMENDED)

### *Procurement of 2 Units Motor Vehicle (Patrol Car) (EPA)*

*[Bidders must state here either "Comply" or "Not Comply" against each of the individual parameters of each Specification stating the corresponding performance parameter of the equipment offered. Statements of "Comply" or "Not Comply" must be supported by evidence in a Bidders Bid and cross-referenced to that evidence. Evidence shall be in the form of manufacturer's un-amended sales literature, unconditional statements of specification and compliance issued by the manufacturer, samples, independent test data etc., as appropriate. A statement that is not supported by evidence or is subsequently found to be contradicted by the evidence presented will render the Bid under evaluation liable for rejection. A statement either in the Bidder's statement of compliance or the supporting evidence that is found to be false either during Bid evaluation, post-qualification or the execution of the Contract may be regarded as fraudulent and render the Bidder or supplier liable for prosecution subject to the applicable laws and issuances.]*

**Annex A**  
**TERMS OF REFERENCE (TOR)**

**PROCUREMENT OF 2 UNITS MOTOR VEHICLE (PATROL CAR)**  
**(EPA) FOR BUCOR-DPPF FOR CY 2026**

**ABC : Php 4,800,000.00**

**A. RATIONALE**

Efficient mobility is crucial for the successful implementation of the BUREAU OF CORRECTIONS – DAVAO PRISON and PENAL FARM operations. Fieldwork, projects monitoring, and other essential duties depend on reliable and timely transportation. To optimize operational efficiency and effectiveness, BUCOR-DPPF's Transportation Unit provides ongoing support in the transportation and logistics on both DPPF Central and CIW-Mindanao.

In line with the Department of Budget and Management (DBM) Circular 2022-1 of 2022 and DBM Circular 2022-1A of 2023, the intended use of the motor vehicle is for heavy-duty operations in rural and remote areas with generally rugged road conditions, mountainous terrain, and challenging environments. The procurement of this vehicle is crucial to support the agency's activities in these areas, where dependable and robust transportation is essential for effective service delivery.

By investing in a vehicle designed for these specific conditions, BUCOR-DPPF aims to improve its capacity to respond swiftly to various on-ground demands, enhance productivity, and ensure the safety and well-being of its personnel during official travels. This procurement aligns with our ongoing efforts to enhance operational readiness and deliver our services more effectively to the communities we serve, particularly in remote and underserved areas.

**B. SCOPE OF WORK**
